COMPLETION OF "SIGNATORIES IDENTIFICATION" FORM

Identity is verified by having each individual produce identification which the Broker Office will then record and use to verify the individual's identity, and which will be kept on file by the Broker Office. A photocopy of the ID (front and back) must be forward to the Bank with this form.

Acceptable Identification Documents

1) Government-issued photo identification

Current and original photo identification issued by a federal, provincial or territorial government can be used to ascertain identity. You must view the original document while in the presence of the individual to compare the individual with their photo. A foreign photo identification document or card may be accepted if it is the equivalent to a Canadian photo identification document. A foreign photo identification document must be issued by a federal, or by the equivalent of a provincial/state level of government. Photo ID issued by a municipal government, Canadian or foreign, is not acceptable.

The photo identification document must:

- indicate the individual's name
- have a photo of the individual
- have a unique identifier number
- indicate Issuing Jurisdiction/Country
- Be unexpired
